EXAMPLE

John is a full member of NAATSIHWP and is currently living in Darwin NT (MMM 2). He emails ESO@naatsihwp.org.au with an expression of interest to apply for a Bursary providing a statement and confirmation of his membership. He is successful in his application and has been offered a **Tier 2 Bursary** based off his location. John's workplace purchases a ticket to the conference (\$250), his flights (\$800) and accommodation (\$500). His workplace provides NAATSIHWP with copies of this purchase and they are reimbursed the maximum cap of \$750.00. If the receipts totaled less than \$750.00 then the reimbursement will equal this total.
