

# 2024 NAATSIHWP National Conference

*"Reaping the rewards of resilience"*

## EOI: Conference Presentation

As part of our 2024 National Conference, NAATSIHWP is seeking to highlight best practice by promoting and privileging the work of our professions.

We know from previous years that you value hearing and learning directly from each other so this year we are excited to bring back Members' Presentations as one of the highlights of the Conference.

The presentations are designed to provide you with opportunities to:

- share your successes and learnings
- exchange knowledge about local community solutions that work to improve the health and wellbeing of mob
- and develop your public speaking and leadership skills

**If you are interested in showcasing a project or program you are working on, please contact [eso@naatsihwp.org.au](mailto:eso@naatsihwp.org.au) by COB 31 May 2024.**

**\*\* Presentations will be prioritised to NAATSIHWP FULL and STUDENT members through an EOI submission\*\***
