

know what to do

If you think you may have the COVID-19 virus it is important to stay home, try to keep away from others and call your local clinic, to arrange an assessment as soon as possible.

Fever temperature

Dry cough

Fatigue

Shortness of breath

Stay home

Wash your hands regularly

Call your local medical centre to make an appointment first

Get tested

Keep your distance from others including the driver

The staff at your clinic will tell you what to do.
Listen carefully to their instructions.
